QUESTIONS AND ANSWERS

Q: Is Lucky Dog really closed on Holidays?

A: Not really. *Just the office is closed.* No check-ins or check-outs for daycare and boarding. Everything else is the same for the dogs. They stick to their daily routine of playing, napping, etc. Wranglers are present and with the dogs at all times, same as any other day.

Q: Why is the pick up and drop off time so important?

A: To help with smooth transitions for the dogs and the introduction process, we like to be able to plan and schedule accordingly. We need to staff based on your reservation. We understand things change, but ask you give us firm times for drop off or pick up. Please consider we schedule staff, introductions, cleaning, etc, based on what you tell us.

Q: What days are busy, or not busy?

A: Tuesdays and Thursdays are becoming our busiest. We always ask our members to make appointments for their dogs, to make sure they get in on the day they want. The time will come when we can no longer accept walk-ins. So, if you want to daycare on Tuesday or Thursday, call ahead, or, *ask for a standing reservation.* We always have room for daycare on weekends, our least busy days.

GROOMING TIDBITS

We continue to groom and bathe daily. Of course we ask you make a reservation for your pooch, but ala carte services are available if the groomer is in house. Ala carte services include, nail clipping, ear cleaning, teeth brushing/cleaning, de-shedding (furminate), anal glands, etc. If you think you'd like any of these done, just ask if grooming will be in. If so, you're in luck. Also, if you'd like to tip the groomer, please do so in cash. Our cc system is set for 1 time charges only, there is no line for adding tips. Thanks for understanding.
