## EASTER SPRING BREAK WAS A BLAST!

HERE'S SOME OF OUR GUESTS

We were very “Lucky” to have an extremely safe and fun holiday. For almost 10 days we were at full capacity. We were going 24/7. Thanks to all the wranglers who double and even triple shifted. The Easter / Spring Break was a lot of work, and your efforts were rewarded with lots of slurpy kisses and licks! The wranglers did a great job of making sure all the dogs, ate, played, chased, ran and had fun. They were extremely diligent in keeping Luck Dog clean and disinfected and orderly – no easy task when we were as full as we could be. As a reward, the wranglers were all treated (by Colleen and Jack), to a dinner at Eviva in Lisle. Needless to say, their efforts were genuinely and greatly appreciated.

## PLEASE KEEP US INFORMED!

Please keep Lucky Dog informed of any illnesses or injuries that your dog may have. Lately we have discovered some injuries on our guests. When we informed the owners, they informed us that they were injuries from outside Lucky Dog. We need to know whether or not to “shut a dog down” until we discuss with the situation with the owner. We watch all the dogs as closely as possible, and when we see limping, or dogs licking an area intently, these are signals for us to check them out. Just a way of asking you to help us help them.

## WE STAYED HIGH AND DRY!

In the aftermath of the rainstorm on April 18<sup>th</sup>, we are very happy and lucky to report we stayed high and dry. Of course some of our guests were a little anxious with all the thunder. But, we turn up the TV, play more games and assure all that everything is alright. One of the best things you can do when a dog may be stressed, is to recognize them by name and tell them in a reassuring voice it's ok. Dogs like to hear their name.

## PLAYA RESCUE DONATIONS

We'll be on our way April 29<sup>th</sup> to drop off all the donations for the Playa Animal Rescue, in Playa del Carmen, Mx. The rescue is about 45 mins south of Cancun. We really appreciate your generous gifts and donations for the shelter. You can see more about this great group, by following them on Facebook... Playa Animal Rescue.

WE LOVE THIS PIC, THOUGHT YOU MIGHT TOO.

## DOG OF THE MONTH

We were currently asked about selection for Dog of the Month. It's very simple; the wranglers all discuss it once a month and come up with the dog. You can see the last 3 years selections at [www.luckydoglisle.com](http://www.luckydoglisle.com) and see the dog of the month on our homepage and click on the photo gallery link.

## A FEW REMINDERS

Just a few reminders that once in a while get overlooked; we ask that all dogs wear a snap collar when at Lucky Dog. As most know, collars a focal point of play for many dogs. Once in a great while, dogs teeth may become entangled, a quick snap, and the collar is off. We also remind all that Lucky Dog closes Mon-Fri at 6:30 and Sat-Sun at 5:00. ANY time after that is late, and the wranglers are instructed to charge per our agreement. Finally...we do accept walk-ins for daycare, but always prefer you call first. That way we can staff accordingly. Thank you for understanding.

## NARNIA CONTINUES

Narnia continues to offer behavior and training classes at Lucky Dog on Tue, Wed and Thu evenings. Visit [www.narniapets.com](http://www.narniapets.com) or call (630) 904-0895.

## FROM THE OWNERS

May starts our 4<sup>th</sup> year at Lucky Dog Time flies when you're having fun...and we are! Please continue to recommend us to your friends and neighbors. When we opened 3 plus years ago we were in the middle of the Great Recession. To say we took a chance is an understatement. We just knew our area could use a daycare and boarding facility. We know it's still a tough economy and you spend your dollars wisely. We feel special and honored when you bring us your dog. We know you have choices. Rest assured we'll do all we can to live up to your expectations.
